PRODUCE SHOW

OFFICERS AND COMMITTEE

President	:	Mr A J L Peake
Vice President	:	Mr R A A Brown
Honorary Members	:	Mr S H Hoy, Mr G Brewis, Mrs J C Baxter
Chairman	:	Julian Harley
Treasurer	:	Richard Cawker
Show Secretary	:	Julie Baxter
Committee	:	Jayne Allingham, John Brockwell, Claudia Drake, Victoria Evans, Georgina Field, Peter Gellatly, Hannah Godfrey, Sue Grant, Christie McCullough, Lily Murray, Fay Still.

We have documentation dated 1931 stating that the “Tillingbourne Show has been held continuously on Albury Heath since 1861”. It was halted for a few years during World War II, was re-started in 1946 and has been running continuously (apart from 2020 and 2021 due to Covid-19) since then. Also that (in 1931) “cricket has been played on the heath for the last 50 years at least and possibly some years before that and that the cricket pavilion was erected in 1907 or 1908”.

The “Albury Weekend” starts with the Show on the Saturday afternoon. On Sunday morning a church service for the united benefice is held in the tent and the Albury Music Festival is on Sunday afternoon.

This Schedule is produced as early as we can to allow you the maximum time to plant and prepare, so do have a look through now and see if there is anything you might want to enter in the Show; the chutneys and preserves are better if made early, look at the titles in the Photography section and those onions might need planting....

The Albury Produce Association is run entirely by volunteers from in and around the area. We concentrate on running a great village show and each year the APA donates any surplus from its annual activities to local charities. See details on our website.

If you're new to the village, or even lived here all your life, then please feel free to join us, we've a hundred small jobs that don't take too long and many hands do indeed make light work! So if you have any suggestions or can spare a few hours to help on the weekend itself or in the lead up, please let us know. Also, any old programmes or photos, especially from pre-1960, that we can add to our archive would be most welcome.

IT’S YOUR VILLAGE SHOW……. PLEASE SUPPORT IT!

HOMECRAFTS

PLEASE, PLEASE READ BEFORE YOU ENTER– A few rules and hints

- All preserves to be labelled with **full date** of making (day/month/year) and main fruit used.
- All products to be presented in a clean container (wipe over with a drop of methylated spirits for clean shiny jars).
- **Unbranded jars** must be used for showing preserves. Jars and lids bearing trade names may not be used for shows as this contravenes the Trades Description Act. Twist top lids must be **new** and **unbranded**. Old lids do not always give a good seal.
- **Kilner jars or similar containers may not be used.**
- All sweet preserves to be covered with **either** a well-fitting waxed paper disc & cellophane **or new** twist top **only** without a waxed paper disc.
- Lemon curd **must only** be covered with a **well-fitting** waxed paper disc & cellophane.
- All vinegar preserves (with the exception of relishes) must be a minimum of 3 months old (maximum 12) and must be covered only with a solid vinegar-proof top, i.e. a plastic lined twist top. No waxed discs may be used. Chutneys must be cooked until combined. Relish is not a chutney.
- Jars must be sealed correctly. Exhibitors should fill their jars, clean the rim and then put the wax disc on straight away if using one. If using a solid lid this is to be put on as soon as the jar is filled and cleaned but NO wax disc needs to be used with a solid lid. For curd the cellophane should be put onto the jar when it is completely cold, usually a few hours later on. Correct sealing of jars is essential for the preserve to keep well.
- All preserves to be between 3-12 months old.
- Cookery classes will be judged to N.F.W.I rules. There is a very useful booklet called "On with the Show" available from the W.I. with many tips about what judges are looking for in the homecraft and other classes. A copy is also held by the Show Secretary.
- The exhibits have to last in a hot tent and be tasted, so we do not allow perishable constituents, e.g. fish, chicken, cream, pate, mayonnaise. Vegetable pate is acceptable.
- No rice is allowed in any exhibit.
- **Please cover your exhibits with cling film to protect from insects**.
- Ensure entries are displayed cold.

If you are not sure if you will be able to enter a class (will your roses be OK on the day?) please enter anyway. It is better if we allow more space for a class when laying out the tables than not enough space

CHILDRENS' HANDWRITING

Class 186 - 8 years and under	Class 196 - 11 years and under
We Have A Little Garden by Beatrix Potter	**From "The Walrus and The Carpenter", by Lewis Carroll**
We have a little garden, A garden of our own, And every day we water there The seeds that we have sown. We love our little garden, And tend it with such care, You will not find a faded leaf Or blighted blossom there.	"O Oysters, come and walk with us!" The Walrus did beseech. "A pleasant walk, a pleasant talk, Along the briny beach: We cannot do with more than four, To give a hand to each." The eldest Oyster looked at him, But not a word he said: The eldest Oyster winked his eye, And shook his heavy head – Meaning to say he did not choose To leave the oyster-bed. But four young Oysters hurried up, All eager for the treat: Their coats were brushed, their faces washed Their shoes were clean and neat. And this was odd, because, you know, They hadn't any feet.
